

ShapesManager::ShapesManager

```
graph LR; A[ShapesManager::ShapesManager] --> B[ShapesManager::onBadDeleteResponse];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'ShapesManager::ShapesManager'. The right box is gray with a black border and contains the text 'ShapesManager::onBadDeleteResponse' on two lines.

ShapesManager::onBadDelete
Response
