

UserManager::UserManager

```
graph LR; A[UserManager::UserManager] --> B[UserManager::onGoodDeleteResponse];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'userManager::userManager'. The right box is gray with a black border and contains the text 'userManager::onGoodDeleteResponse' on the top line and 'Response' on the bottom line.

UserManager::onGoodDelete  
Response
